# WHY THIS BOOK?

I found this book in a charity shop and it reminded me of the boy, the mole, the fox and the horse. It had short, pick me up pages that I felt could appeal to junior boys. It can be hard to get pupils to talk about feelings, friendship and emotions in a mature way. I feel this book could be a positive male role model for children.

# OTHERS SAY...

“The moving affection between rugby league legends, fundraising heroes and best friends Rob Burrow and Kevin Sinfield has inspired and uplifted the nation. With You Every Step is a celebration of friendship, in their own words. Their moving words are brought to life with artwork from leading illustrators, to create an inspiring and hopeful celebration of love, support and connection. Exploring the universal truths and celebrating kindness, empathy and the joy of friendship. With You Every Step is the perfect way to show the special people in your life, young and old, just how much they mean to you.”

# FINAL THOUGHTS

This book is good for any Rugby League fan. Rob and Kevin have always been respected as players when they were playing for Leeds and even more now because of how they've both dealt with the situation of Rob having MND and sadly passing away.

I liked this book; I think it was such an easy read. I think everyone could access this book, even people who don't know rugby league. It's inspirational. I am fully aware that this is a children's book, however, it has a general positive message; the drawings are beautiful. I hope everyone has a friendship like Kevin and Rob in their lifetime. They are role models, something pupils can sadly be short of.
