

Message from Mrs Walford:

What a wonderful week it has been across both departments. Our Sports Days were a huge success – full of energy, teamwork, ice lollies, strawberries and plenty of smiles. The children showed fantastic determination and sportsmanship, and we are incredibly proud of every single pupil who took part.

A very special well done goes to Year 6 for their outstanding end-of-year show, "Go for Gold." Their talent, confidence, and commitment shone brightly, and it was a joy to see them perform so brilliantly.

We would also like to say a big thank you to Mr Lewis for organising Wimbledon Day. The children absolutely loved playing tennis, enjoying strawberries and cream, and arriving at school dressed in their tennis outfits. It was a truly memorable day. Next week promises even more events as we look forward to the Year 6 Leavers Service, the Year 2 Graduation, and of course the Year 6 water fight and BBQ.

Wishing everyone a sunny and relaxing weekend.

Update from Mrs Bond

As part of our SEN Early Intervention work for 2025–26, we have carried out a wide range of assessments to ensure children receive timely and appropriate support. This year, we completed or supported 12 CAMHS referrals, 20 Dyslexia screeners, 4 Dyscalculia screeners and provided 5 Sensory Toolkits to support pupils with sensory needs. We have also submitted 4 EHCP applications. In addition, our team carried out 81 Speech and Language assessments, 4 Southampton Inclusion Partnership (SIP) assessments, and staff identified 23 children who would benefit from ELSA support. These assessments help us build a clear picture of each child's needs so we can provide early, effective intervention.

Update number: 6

Term: Summer 2

Date: 10/07/2026

Next week's collective worship:

Happiness and Sadness

Upcoming Dates (Last 1 ½ weeks)

Monday 13th July, 2pm-3pm - SEND Parents
Coffee Meeting at the Juniors

hour early (2.15pm Infants, 2.25pm Juniors)**

The Doodle Summer Challenge 1st of July - 31st of August 2026

Earn a pin badge and certificate!
Between the 1st of July - 31st of August,
Doodle and Learning Zone are running the Summer
Challenge - the DoodleMatic Challenge and
the DoodleMatic Challenge!

**Both Challenges are designed to encourage a few minutes of daily
Doodling, keeping your child engaged in their learning and creating their
art. Plus, they can win exclusive rewards by taking part!**

How to take part

1. Create or link your account

If you haven't already, create and link a parent account to your child's
school account. To find out how to do this, see the reverse of this flyer or visit
<https://doodlelearning.com> and search 'How to link account'.

2. Register for the Challenge

From the 1st of July, visit parents.doodlelearning.com and press Register
next to your child's name for one or both Challenges! The last day to
register for and begin the Challenge is the 18th of August.

3. Doodle 'little and often'

Once you're registered, encourage your child to earn 750 stars per 600
if they were born after August 2018 and use DoodleMatic and/or
DoodleMatic for 14 days* between the 1st of July - 31st of August.

*These 14 days don't need to be in a row. A day of use is defined as
completing at least one session between 00:01 and 23:59.

4. Receive a pin badge and certificate!

Once they've reached their target, we'll send a pin badge to their school.
This will arrive after the Challenge comes to an end. You can also claim a
personalised certificate for them by visiting parents.doodlelearning.com and
pressing Download certificate. The last chance to do this is midnight on the
25th of September.

Log on and see the Doodle
Summer Challenge!

For more information,
please visit doodlelearning.com
or call 0800 123 4567.

How to create and/or link a parent account to your child's school account

Creating a parent account is really important (and really easy). By doing this, you'll be able to enter the Summer Challenge and claim your child's personalised certificate by visiting parents.doodlelearning.com, our online parent hub.

How to create and/or link a parent account via the Doodle apps

- Log in to any of the Doodle apps using the username and password provided by your child's school. If you're not sure what these are, please contact your child's school rather than creating a new account for them.
- From the Learning Zone, click on the arrow icon in the top left-hand corner of the screen.
- Select Settings and press Parent details.
- If you're new to Doodle, choose Create parent account. If you already have a Doodle account, click on Link existing account.
- Enter your details to link your email address to your child's account.

How to create and/or link a parent account via the Parent Dashboard

- Visit parents.doodlelearning.com
- If you're new to Doodle, click on Create account and follow the instructions. After you've done this, log in to parents.doodlelearning.com. If you already have a parent account, log in to parents.doodlelearning.com.
- Once you're logged in, hover over My account and select Child details.
- Click on Link to my child's school account and enter the username and password provided by your child's school. If you're not sure what these are, please contact your child's school rather than creating a new account for them.

Good luck, and happy Doodling!

*The Challenge available will depend on your school's Doodle subscription. If you're like to join both Challenges but your school does not subscribe to DoodleMatic or DoodleMatic, a home subscription can be taken out in the support you're not subscribed to. To receive a FREE week of a home subscription, please visit doodlelearning.com/challenge-offer.

Infant Department updates and Brilliant Butterflies

Important information for Infant parents:

Next week the children in Year 2 will be having their graduation service. This will be held in the church hall at **2:30** on **Wednesday 15th July**.

All families of year2 children are invited to attend to help us celebrate this children's time at the infants. Please be advised that seating is limited.

There will be **NO LIBRARY trip next week due to the graduation and the excessive heat**.

Next Friday will be Oak Base class assembly. We hope that Oak families will be able to come along and enjoy finding out what the children have learnt this year.

What's been happening in the department this week:

In Year R this week, the children have been doing some amazing maths learning. They have been looking at subtraction and have been using the hot weather to practise taking away with fish in the water tray.

Beech butterflies:

Frankie worked so independently this week to write an amazing just so story. He created all his own ideas and came up with a fantastic way to describe how the peacock got his colourful feathers.

Rosie is always such a kind and gentle member of Beech Base. We are always impressed with her ability to make others smile and to help her peers when they need it. Well done Rosie!

Oak butterflies:

Ella has been an absolute superstar this week. She showed our school values and golden goals even during the hot weather. We are so proud of you Ella, for how fantastic you have navigated Year R.

We would love to celebrate **Artie** this week for being an all round wonderful member of the class and role model to all. Thank you Artie for your impeccable behaviour this week! We are so proud of you.

Maple butterflies:

David showed courage during maths this week. He made excellent choices when solving problems and he completed his work well. He showed resourcefulness by using a ruler as a number line. Well done David!

Bethany consistently displays all of our school values in Maple. She respectfully listens and responds to every instruction given to her and is always on task. She is the picture of 'peace' - always kind and gentle with everyone. It has been a joy to watch Bethany grow in confidence this year as she courageously faces challenges. We're so proud of you Bethany!

Ash butterflies:

Jasmine: You have shown excellent focus all week, even on the very warm days, you kept listening carefully, tried your very best in every task, and continued to shine in your learning.

Jessica: Well done, Jessica, even on the very warm days, you stayed calm, focused and determined, showing everyone just how brilliantly you can learn. And your Just So story was absolutely fabulous. You should feel so proud of what you created.

Willow butterflies:

This week I am celebrating the **WHOLE** of Willow Base! They have worked so hard on their class assembly and it absolutely paid off. Well done Willow; you are all stars!

Junior Department updates and Brilliant Butterflies

What's been happening in the department this week:

3/4: It's been a lovely week watching the children round off their Romans learning. They've really stepped into the role of historians, exploring different sources and deciding what they can interpret from them. Their enthusiasm has been brilliant! They can now chat confidently about everything from Roman food for rich and poor families to how people were entertained across the empire. It's been a joy seeing their knowledge grow and their curiosity flourish.

5/6: It has been a wonderful week filled with so many memorable and enjoyable experiences! The children in year 6 were INCREDIBLE throughout their performances of their production and should feel so proud of their efforts. We also had a fantastic Sports Day, with the year 5s and 6s helping the event to run smoothly. The week finished with a range of Wimbledon themed activities (including strawberries and cream!) and a Maya art day.

Australasia butterflies:
Manuela has been so resilient and enthusiastic this week! I have been so impressed with her attitude and her ability to smile through every challenge. She should be incredibly proud of herself! I've really loved seeing how much **Shahwaiz** has contributed to our class discussions this week. He's shared thoughtful ideas with such confidence, and it's been fantastic to hear his perspective. Well done Shahwaiz!

Asia butterflies:
Well done **Jude** for another wonderful week! You have shown wonderful courage and confidence in your school play performance, and your positive attitude has brightened every day. Your enthusiasm and encouragement, especially during Sports Day, were a fantastic example to others and you showcased what a wonderful house captain you are!
Well done **Poppy-May** for another superb week! You have been exceptionally well prepared for all of your learning this week, and your calm, thoughtful attitude has brought peace to our classroom. You were fantastic in the school performance and your positive attitude throughout the week has been outstanding! Well done Poppy!

North America butterflies:
This week, we are celebrating **Samuel** for the wonderful progress he has made in his learning this year. He has shown a fantastic attitude towards his work and has kept trying, even when things have felt challenging. His effort, focus and determination have helped him grow in confidence, and it has been lovely to see how proud he is becoming of his achievements. This links brilliantly to our school value of courage, because Samuel has been brave enough to keep pushing himself and believe in what he can do.
We are also celebrating **Aurora** for the excellent effort she has put into her learning throughout the year. She has worked hard to improve, listened carefully to feedback and shown a positive attitude in class. Her progress is a result of her determination and willingness to keep practising. This links beautifully to our school value of respect, because Aurora has shown respect for her learning, her teachers and herself by always trying her best.

Europe butterflies:
Zidaan R for another wonderful week spreading peace with his kindness towards his friends, showing courage with how he has coped with changes and showing respect in how he has engaged with his learning. Listening really well and completing wonderful literacy and fantastic maths! Well done Zidaan!

Freddy R for a brilliant week showing courage in his literacy to make lovely contributions to our lessons, and complete lovely outcomes as well as courage on sports day to keep going even when it was difficult. As well as showing peace in how he has looked after peers and been so helpful around the class. Well done Freddy!

Africa butterflies:
Celeen, has been a super courageous learner this week and it has shown through especially in DT, where she has done a beautiful analysis of a torch and is ready to make her own next week. Great effort this week, Celeen!

Teddy has been doing so well with his listening and focus that I want to celebrate the improvement that I have seen in his work as a result! He has been putting in so much effort and his learning has been beautiful. Well done, Teddy for being so courageous and respectful!

South America butterflies:
James - For returning to school with a fantastic attitude following the removal of his cast. He has thrown himself back into school life with courage, giving a brilliant performance in the Year 6 production and producing some lovely writing for the Year 6 leavers' service, all while continuing to be the kind, cheerful and positive member of the class we know so well.
Igor - For showing great enthusiasm and focus in his learning this week. After a day off sick, he quickly settled back into class and produced some great work on Jabberwocky in Literacy, and I've loved hearing him read to me recently too.
