

Highfield CE Primary School

Half-Termly Update

A message from Mrs Walford and Mrs Bond

Dear Parents and Carers,

As we come to the end of another busy year at Highfield, I want to say how incredibly proud we are of all our children. They have shown resilience, kindness and a real love of learning — qualities that shine through in classrooms, on the playground and in every event they take part in. Their achievements, both big and small, have made this year a truly special one.

Today we also say a heartfelt goodbye to our WONDERFUL Year 6 pupils. They have been fantastic role models, supportive friends and enthusiastic leaders across the school. We wish them the very best of luck as they begin their secondary school journey — they will always be a part of Highfield and Highfield will always be a part of them.

To all our families, thank you for your continued support throughout the year. It makes a huge difference to the children and to our whole school community.

We look forward to welcoming the children back on Wednesday 2nd September. Please note that Tuesday 1st September is an INSET day.

We wish everyone a **lovely** holiday, filled with sunshine, fun and time together.

Term: **End of Summer Term 2**
Date: **22/07/2026**

Things to remember for the first day back:

- **Full PE kit** - **white** T-shirt, black shorts/ joggers and trainers/ plimsoles in a named bag
- **FULL school uniform** including BLACK school shoes (if trainer style, the sole **MUST** be black)
- **Water bottle**
- Completed '**Who I am**' poster, ready to share on the first day back

Southampton, SO17 1PX

Safeguarding Update

It is vital that we work closely with parents and carers to ensure children and families are safe and this includes out of school hours. In most cases, it is parents and carers we turn to first when we are concerned about a child and very often we are able to put support in place quickly if it is required. Asking for help with a challenge or difficulty at home is not a sign of weakness – it is most certainly a strength and demonstrates your commitment to wanting the best for your child and your family. School staff will always be ready and happy to help you in any way they can.

If you wish to contact a DSL (Designated Safeguarding Lead) by email during the Easter break, please send concerns to:

highfielddsl@gmail.com

This email address is monitored throughout the year, including in school holidays.

The Children's Resource Service

If you are a child, young person, parent or carer, and you would like to discuss your worries or seek advice and support, please get in touch. You can contact the Children's Resource Service on **02380 83 3004** (office hours) or **02380 23 3344** (outside of office hours).

If you are not a professional involved with the child or family, you do not have to give your name and your conversation will be treated confidentially. Or in an emergency, contact the police by telephone on 999.

IN SCHOOL THIS TERM

W/C 1st June

Year 3/4 Rockstars

W/C 29th June

Doctor Neil Gostling came in today to speak to the infants about his job at the university. He studies dinosaurs and the children were mesmerised. He was totally inspiring and had time for all our dinosaur questions. Thank you Doctor Gostling for coming in, what a great start to our week... And don't worry juniors, he will come and meet you in a few weeks too!

IN SCHOOL THIS TERM

W/C 13th July

A big thank you to Dr Gostling from the University of Southampton. He visited twice this term and did a highly engaging talk about dinosaurs, evolution and routes into university. He found the children and their questions so amazing and would love to visit again.

The Doodle Summer Challenge

1st of July - 31st of August 2026

Earn a pin badge and certificate!
Between the 1st of July - 31st of August, Doodle are running two exciting Summer Challenges — the DoodleMaths Challenge and the DoodleEnglish Challenge!

Both Challenges are designed to encourage a few minutes of daily Doodling, keeping your child engaged in their learning and boosting their skills. Plus, they can earn exclusive rewards by taking part!

How to take part

1 Create or link your account

If you haven't already, create and/or link a parent account to your child's school account. To find out how to do this, see the reverse of this flyer or visit help.doodlelearning.com and search 'how to link account'.

2 Register for the Challenge

From the 1st of July, visit parents.doodlelearning.com and press Register next to your child's name for one or both Challenges.* The last day to register for and begin the Challenge is the 18th of August.

3 Doodle 'little and often'

Once you've registered, encourage your child to earn 750 stars (or 600 if they were born after August 2018) and use DoodleMaths and/or DoodleEnglish for 14 days* between the 1st of July - 31st of August.

*These 14 days don't need to be in a row. A day of use is defined as completing at least one exercise between 00:01 and 23:59.

4 Receive a pin badge and certificate!

Once they've reached their target, we'll send a pin badge to their school. This will arrive after the Challenge comes to an end. You can also claim a personalised certificate for them by visiting parents.doodlelearning.com and pressing Download certificate. The last chance to do this is midnight on the 25th of September.

Tag us and use the hashtag #DoodleSummerChallenge

For more information, please visit doodlelearning.com/challenge.

Any questions? Visit help.doodlelearning.com and press on the green circle icon to chat to our team.

How to create and/or link a parent account to your child's school account

Creating a parent account is really important (and really easy!). By doing this, you'll be able to enter the Summer Challenge and claim your child's personalised certificate by visiting parents.doodlelearning.com, our online parent hub.

How to create and/or link a parent account via the Doodle apps

- 1 Log in to any of the Doodle apps using the username and password provided by your child's school. If you're not sure what these are, please contact your child's school rather than creating a new account for them.
- 2 From the Learning Zone, click on the arrow icon in the top left-hand corner of the screen
- 3 Select Settings and press Parent details
- 4 If you're new to Doodle, choose Create parent account. If you already have a Doodle account, click on Link existing account.
- 5 Enter your details to link your email address to your child's account

Add a child profile to account

Link to my child's school account

How to create and/or link a parent account via the Parent Dashboard

- 1 Visit parents.doodlelearning.com
- 2 If you're new to Doodle, click on Create account and follow the instructions. After you've done this, log in to parents.doodlelearning.com. If you already have a parent account, log in to parents.doodlelearning.com
- 3 Once you've logged in, hover over My account and select Child details
- 4 Click on Link to my child's school account and enter the username and password provided by your child's school. If you're not sure what these are, please contact your child's school rather than creating a new account for them.

Good luck, and happy Doodling!

*The Challenge available will depend on your school's Doodle subscription. If you'd like to join both Challenges but your school does not subscribe to DoodleMaths or DoodleEnglish, a home subscription can be taken out in the subject you're not subscribed to. To receive 2 FREE weeks of a home subscription, please visit doodlelearning.com/challenge-offer.

Southampton Parent Carer Forum

Review and Updates

Summer Holiday 2026

The summer holidays are almost here, and we know this can be a wonderful but also challenging time for many SEND families. Changes to routine, finding suitable activities, and balancing everyone's needs can sometimes feel overwhelming.

We hope this month's newsletter helps you make the most of the summer by sharing activities, updates and useful information. If you're finding things difficult, please remember you're not alone – reach out to us if you need support, information, or simply someone to listen.

Thank you, as always, for sharing your experiences and helping us ensure the voices of Southampton's SEND families continue to shape local services.

Key Updates

- You can now text or WhatsApp the forum on 07354 940 838
- Mileage rate is now 55p and should be backdated to April. This is especially important for those who cover mileage for PAs who support their young people. School travel service already pay this.
- An update to families about direct payments will be going out in the next 5 days or so about more flexibility in how it's used.

Key Dates - More Info on the following page

Friday 10th July - Bookings for summer activities go live in the afternoon or evening via the website

Meeting in the Spotlight - Courageous Conversations Shaping Southampton 360°

Last month, we took part in the Courageous Conversation event, which focused on the proposed Southampton 360° model (known as Experts at Hand). Representatives from mainstream and special schools, health services, the voluntary sector, Southampton Parent Carer Forum, as well as colleagues from other local authorities and Parent Carer Forums, came together to review the proposed model. The day provided a valuable opportunity for professional challenge, open and honest conversations, and the sharing of learning from different areas. Together, we explored the strengths of the model and identified improvements to help ensure Southampton 360° meets the needs of children, young people, families, and professionals.

Scan the QR code for the link to our facebook page for the most up to date info.

Local Offer Development Officer

Hello, I'm Collette and I joined Southampton City Council in June as the new Local Offer Development Officer.

My role is to work with parent carers, children and young people, and professionals to continue developing and improving Southampton's Local Offer. There's already lots of great work happening, and I'm really excited to build on this so families can easily find and access the support available to them.

I'll be focusing on making the Local Offer even more user-friendly, accessible and helpful, particularly the website, while making sure it reflects what families really need in day-to-day life. I'm really passionate about inclusion and making sure everyone can access the right support at the right time. I know the best way to do that is by listening, so I'd really love to hear your experiences, ideas and suggestions.

Over the coming months, I'm keen to get out and about, meet people and listen. If you see me at an event or SEND get-together, please do come and say hello.

You can also share your thoughts anytime at localoffer@southampton.gov.uk.

I'm really looking forward to working together to keep making the Local Offer the best it can be for families in Southampton.

SOUTHAMPTON NEURODIVERSITY MULTIDISCIPLINARY TEAM

SUMMER SURVIVAL TOP TIPS

Supporting neurodivergent children and young people during the summer holidays

Every child is different. Small changes can make a big difference!

- KEEP SOME ROUTINE**
 - Try to keep bedtimes, getting up and meal times fairly consistent.
 - Use a calendar or visuals to count down to events and see what's planned.
 - Include a "Whoops" card for unexpected changes.
- PLAN AROUND INTERESTS**
 - Choose activities based on your child's interests - they are more likely to cope with new places.
 - Familiar interests can help new experiences feel safer and more enjoyable.
- THINK ABOUT SENSORY NEEDS**
 - Sensory needs may increase during the holidays.
 - Consider heat, clothing, noise, crowds, smells and changes in routine.
 - Pack sensory supports and comfort items if helpful.
- PREPARE FOR TRIPS**
 - Look at photos or websites and talk about what to expect.
 - Have an exit plan - agree how your child can let you know they're becoming overwhelmed. Identify a safe or quiet space and agree how long you'll stay.
 - Take snacks and drinks your child enjoys.
 - Plan for "time out" so your child can rest and decompress.
- BE KIND TO YOURSELF**
 - Build in breaks and downtime. Don't try to do too much.
 - Ignore other people's Instagram summer!
 - You do not need a perfect summer. You're doing your best!
- BACK TO SCHOOL**
 - PREPARING FOR SEPTEMBER**
 - Look at photos of new schools, classrooms and teachers.
 - Talk about any changes to routines. Start trying on new school uniform - don't wait until the night before!
 - Practice the journey to school.

REMEMBER Every child is unique. What helps one child may not help another.

Use what works. Let go of what doesn't, and celebrate the small wins!

New Activities Map

Our new interactive Activities Map is now live on our website! It's designed to help families find activities, events, support and services taking place throughout the year, with plenty of summer holiday events already added. Visit the Upcoming Events page to explore what's available or submit an event for us to include.

Our easy-to-use filters help you find the activities that are right for your family. Search by age, SEND need, activity type, location, date and accessibility to quickly narrow down the options.

This map is just the beginning. Over the coming months, we hope to continue growing it by adding even more activities, support groups, services and information for children, young people, parent carers and families across Southampton. To make it as useful as possible, we need your help. If you know about a local activity, event or support service that would benefit other families, please submit it using the form on our website or email the details to us. Together, we can build a comprehensive resource that helps families discover the fantastic opportunities and support available throughout the year.
