

Our School Vision

Our vision is to create a school where everyone appreciates the beauty of a life lived in Christian values, and where staff, children and parents work together to reflect the life of Jesus in our community.

We pray that our children will live and learn with the **courage** to always do what is right. They will seek to bring **peace** to every situation and **respect** and value others and celebrate the rich diversity in our community.

We believe our values will enable children to spread their wings and bring the transforming power of Christian values to the world around them, in their own unique way.

“Be joyful. Grow to maturity. Encourage each other. Live in harmony and peace. Then the God of love and peace will be with you.” 2 Corinthians 13 v 11

Highfield Church of England Primary School

At Highfield, we work together to demonstrate the values of:

Peace

Courage

Respect

Peace

At Highfield, we seek to be people who bring peace into every situation.

We wish to be at peace with ourselves, and with who God has created us to be.

We seek to resolve our differences peacefully, and to be people who choose forgiveness and grace.

Courage

We aspire to have the courage to be ourselves, and to be true to our values and identity.

We aim to have the courage to always do what is right and to stand up for justice.

We encourage ourselves and each other to be courageous learners who will take risks and embrace challenge.

Respect

We wish to see others as God sees them – as His precious children, and to value them as God does.

We celebrate the differences and diversity that we are blessed with in our community.

We treat others as we would wish to be treated.
