1. Aims

We are committed to meeting our obligations with regards to school attendance by:

- Promoting good attendance and reducing absence, including persistent absence
- Ensuring every pupil has access to full-time education to which they are entitled
- Acting early to address patterns of absence

We will also support parents to perform their legal duty to ensure their children of compulsory school age attend regularly, and will promote and support punctuality in attending lessons.

2. Legislation and guidance

This policy meets the requirements of the [school attendance guidance](#) from the Department for Education (DfE), and refers to the DfE’s statutory guidance on [school attendance parental responsibility measures](#). These documents are drawn from the following legislation setting out the legal powers and duties that govern school attendance:

- Part 6 of [The Education Act 1996](#)
- Part 3 of [The Education Act 2002](#)
- Part 7 of [The Education and Inspections Act 2006](#)
- [The Education \(Pupil Registration\) \(England\) Regulations 2006](#) (and [2010](#), [2011](#), [2013](#), [2016](#) amendments)
- [The Education \(Penalty Notices\) \(England\) \(Amendment\) Regulations 2013](#)

The policy also reflects changes and recommendations as per ‘Working Together to Improve School Attendance’ (May 2022)

The importance of school attendance

Improving attendance is everyone’s business. The barriers to accessing education are wide and complex, both within and beyond the school gates, and are often specific to individual pupils and families. The foundation of securing good attendance is that school is a calm, orderly, safe, and supportive environment where all pupils want to be and are keen and ready to learn.

Some pupils find it harder than others to attend school and therefore at all stages of improving attendance, schools and partners should work with pupils and parents to remove any barriers to attendance by building strong and trusting relationships and working together to put the right support in place. Securing good attendance cannot therefore be seen in isolation, and effective practices for improvement will involve close interaction with schools’ efforts on curriculum, behaviour, bullying, special educational needs support, pastoral and mental health and wellbeing, and effective use of resources, including pupil premium. It cannot solely be the preserve of a single member of staff, or organisation, it must be a concerted effort across all teaching and nonteaching staff in school, the trust or governing body, the local authority, and other local partners. *Improving School Attendance, p6, 2022.*

Working together to improve attendance

13. Successfully treating the root causes of absence and removing barriers to attendance, at home, in school or more broadly requires schools and local partners to work collaboratively with, not against families. All partners should work together to:

Staff at Highfield will monitor and assess school attendance using this flowchart.

This policy also refers to the DfE's guidance on the [school census](#), which explains the persistent absence threshold.

3. Roles and responsibilities

3.1 The governing body

The governing body is responsible for monitoring attendance figures for the whole school on at least a termly basis. It also holds the headteacher to account for the implementation of this policy.

3.2 The Headteacher/Attendance Lead

The Headteacher/Attendance Lead is responsible for:

- Implementation of this policy at the school
- Monitoring school-level absence data and reporting it to governors

- Supporting staff with monitoring the attendance of individual pupils
- Arranges calls and meetings with parents to discuss attendance issues
- Issuing fixed-penalty notices, where necessary

3.3 The SIMS officer

The school SIMS officer:

- Monitors attendance data across the school and at an individual pupil level
- Reports concerns about attendance to the headteacher
- Works with education welfare officers to tackle persistent absence
- Arranges calls and meetings with parents to discuss attendance issues
- Advises the headteacher when to issue fixed-penalty notices

3.4 Class teachers

Class teachers are responsible for recording attendance on a daily basis, using the correct codes, and submitting this information to the school office.

3.5 School admin/office staff

School admin/office staff are expected to take calls from parents about absence and record it on the school system.

4. Recording attendance

4.1 Attendance register

We will keep an attendance register, and place all pupils onto this register. We use SIMS for recording attendance. Attendance is also linked to CPOMS so DSLs have oversight of any attendance concerns.

We will take our attendance register at the start of the first session of each school day and once during the second session, straight after lunch at 1pm. It will mark whether every pupil is:

- Present
- Attending an approved off-site educational activity
- Absent
- Unable to attend due to exceptional circumstances

Any amendment to the attendance register will include:

- The original entry
- The amended entry
- The reason for the amendment
- The date on which the amendment was made
- The name and position of the person who made the amendment

See appendix 1 for the DfE attendance codes.

We will keep every entry on the attendance register for 3 years after the date on which the entry was made.

School opens at 8:45am. Pupils must arrive in school by 8:55am at the Junior site and 9am at the Infant site on each school day.

The register for the first session will be taken at 9am each day will be kept open until 9.10am. The register for the second session will be taken at 1pm and will be kept open until 1.10pm.

4.2 Unplanned absence

The pupil's parent/carer must notify the school on the first day of an unplanned absence by 9.25am at the junior department or 9.30 at the infants or as soon as practically possible (see also section 7) before they are marked with the U code.

We will mark absence due to illness as authorised unless the school has a genuine concern about the authenticity of the illness.

If the authenticity of the illness is in doubt, the school may ask the pupil's parent/carer to provide medical evidence, such as a doctor's note, prescription, appointment card or other appropriate form of evidence. We will not ask for medical evidence unnecessarily.

If the school is not satisfied about the authenticity of the illness, the absence will be recorded as unauthorised and parents/carers will be notified of this in advance.

4.3 Planned absence

Attending a medical or dental appointment will be counted as authorised as long as the pupil's parent/carer notifies the school in advance of the appointment.

However, we encourage parents/carers to make medical and dental appointments out of school hours where possible. Where this is not possible, the pupil should be out of school for the minimum amount of time necessary. We may ask for evidence for proof of appointment.

The pupil's parent/carer must also apply for other types of term-time absence as far in advance as possible of the requested absence. Go to section 5 to find out which term-time absences the school can authorise.

4.4 Lateness and punctuality

A pupil who arrives late:

- Before the register has closed will be marked as late, using the appropriate code
- After the register has closed will be marked as absent, using the appropriate code
- If children have a pattern of lateness, we will seek further advice from the EWO at regular meetings or outside of these where there is a cause for concern.

4.5 Following up absence

Where any child we expect to attend school does not attend, or stops attending, the school will:

- Follow up on their absence with their parent/carer to ascertain the reason, by
- Ensure proper safeguarding action is taken where necessary
- Identify whether the absence is approved or not
- Identify the correct attendance code to use

As poor attendance is habitual, prevention and early intervention is crucial. The key to this is regular data analysis to both identify and provide immediate additional support to pupils or pupil cohorts that need it, and to look at historic and emerging patterns across the school and develop strategies to address them.

4.6 Reporting to parents

5. Authorised and unauthorised absence

5.1 Approval for term-time absence

The headteacher will only grant a leave of absence to pupils during term time if they consider there to be 'exceptional circumstances'. A leave of absence is granted at the headteacher's discretion.

Examples of 'Exceptional circumstances' would be reasons such as; a funerals, VISA applications, religious events, urgent family situations.

The school considers each application for term-time absence individually, taking into account the specific facts, circumstances and relevant context behind the request.

Valid reasons for **authorised absence** include:

- Illness and medical/dental appointments (see sections 4.2 and 4.3 for more detail)
- Religious observance – where the day is exclusively set apart for religious observance by the religious body to which the pupil's parents belong. If necessary, the school will seek advice from the parents' religious body to confirm whether the day is set apart
- Traveller pupils travelling for occupational purposes – this covers Roma, English and Welsh Gypsies, Irish and Scottish Travellers, Showmen (fairground people) and Circus people, Bargees (occupational boat dwellers) and New Travellers. Absence may be authorised only when a Traveller family is

known to be travelling for occupational purposes and has agreed this with the school but it is not known whether the pupil is attending educational provision

5.2 Reducing persistent and severe absence

Where absence escalates and pupils miss 10% or more of school (equivalent to 1 day or more a fortnight across a full school year), schools and local authorities are expected to work together to put additional targeted support in place to remove any barriers to attendance and reengage these pupils. In doing so, schools should sensitively consider some of the reasons for absence and understand the importance of school as a place of safety and support for children who might be facing difficulties, rather than reaching immediately for punitive approaches.

Particular focus should be given by all partners to pupils who are absent from school more than they are present (those missing 50% or more of school). These severely absent pupils may find it more difficult to be in school or face bigger barriers to their regular attendance and as such are likely to need more intensive support across a range of partners. A concerted effort is therefore needed across all relevant services to prioritise them. All partners should work together to make this group the top priority for support – this may include specific support with attendance or a whole family plan, but it may also include consideration for an education, health and care plan or an alternative form of educational provision where necessary to overcome the barriers to being in school.

If all avenues of support have been facilitated by schools, local authorities, and other partners, and the appropriate educational support or placements (e.g. an education, health and care plan) have been provided but severe absence for unauthorised reasons continues, it is likely to constitute neglect. Schools and local authorities should be especially conscious of any potential safeguarding issues in these cases and where these remain, conduct a full children's social care assessment. Further information is available in the statutory guidance on Keeping Children Safe in Education.

In all cases, we will track patterns of both persistent and severe absence a focus of their regular data monitoring and identify pupils and cohorts who need targeted attendance support as quickly as possible. Both persistent and severe absence should also be central to school, trust, and local authority level strategies for improving attendance.

Our process is as follows:

- Identify persistent absence from SIMS
- Run a monthly report to be discussed with the EWO, the Attendance Lead and SIMs Officer
- Monitor and investigate according to the reason
- If further action is required, the appropriate letter is sent to inform parents of future actions if there is no improvement shown

5.3 Legal sanctions

The school or local authority can fine parents for the unauthorised absence of their child from school, where the child is of compulsory school age.

If issued with a fine, or penalty notice, each parent must pay £60 within 21 days or £120 within 28 days. The payment must be made directly to the local authority.

Penalty notices can be issued by a headteacher, local authority officer or the police.

The decision on whether or not to issue a penalty notice may take into account:

- The number of unauthorised absences occurring within a rolling academic year
- One-off instances of irregular attendance, such as holidays taken in term time without permission
- Where an excluded pupil is found in a public place during school hours without a justifiable reason

If the payment has not been made after 28 days, the local authority can decide whether to prosecute or withdraw the notice.

6. Strategies for promoting attendance

7. Attendance monitoring

Highfield staff will:

- Monitor and analyse weekly attendance patterns and trends and deliver intervention and support in a targeted way to pupils and families. This should go beyond headline attendance percentages and should look at individual pupils, cohorts and groups (including their punctuality) across the school to help schools achieve their responsibilities under the Public Sector Equality Duty.
- When analysing patterns, we may wish to look further into patterns of attendance within a session to ensure all pupils are attending all timetabled lessons.
- Use this analysis to provide regular attendance reports to class teachers to facilitate discussions with pupils and to leaders (including any special educational needs coordinators, designated safeguarding leads and pupil premium leads).
- Identify the pupils who need support and focus staff efforts on developing targeted actions for those cases
- Conduct thorough analysis of half-termly, termly, and full year data to identify patterns and trends. This will include analysis of pupils and cohorts and identifying patterns in uses of certain codes, days of poor attendance and where appropriate, subjects which have low lesson attendance.
- Benchmark their attendance data (at whole school, year group and cohort level) against local, regional, and national levels to identify areas of focus for improvement.
- Devise specific strategies to address areas of poor attendance identified through data. This may, for example, include pupils in a year group with higher than average absence or for pupils eligible for free school meals if their attendance falls behind that of their more advantaged peers.
- Monitor in the data the impact of school wide attendance efforts, including any specific strategies implemented. The findings should then be used to evaluate approaches or inform future strategies.
- Provide data and reports to support the work of the board or governing body, as set out in *section 3. 33 Working together to improve school attendance*. Schools should decide which cohorts of pupils should be included in their data analysis based on their context and school population. This may include: boys and girls, year groups, pupils with special educational needs or disabilities, pupils with a social worker or who are looked-after by the local authority, pupils eligible for free school meals, and any pupils from backgrounds (including ethnicities, religions or beliefs, or sexual orientations where applicable) in the school community that have, or have historically had, lower attendance than their peers.

The Attendance Lead at our school monitors pupil absence on a monthly basis.

A pupil's parent/carer is expected to call the school in the morning if their child is going to be absent due to ill health (see section 4.2).

If a pupil's absence goes above 5 days, the school will contact the parent/carer of the pupil to discuss the reasons for this. However, during COVID, it was 'normal' to spend 10 days at home. Also, on-going medical appointments and treatment may go beyond 5 days and we would have evidence of these appointments.

If a pupil's absence continues to rise after contacting their parent/carer, we will consider involving an education welfare officer.

The persistent absence threshold is 10%. If a pupil's individual overall absence rate is greater than or equal to 10%, the pupil will be classified as a persistent absentee.

Pupil-level absence data will be collected each term and published at national and local authority level through the DfE's school absence national statistics releases. The underlying school-level absence data is published alongside the national statistics. The school will compare attendance data to the national average, and share this with the governing board.

Highfield School collects and stores attendance data, and how it may be used for internal purposes. For example, to:

Track the attendance of individual pupils

Identify whether or not there are particular groups of children whose absences may be a cause for concern

Monitor and evaluate those children identified as being in need of intervention and support

Run an attendance report every month, including groups such as PA, whole school, PP, SEN. These are filed and printed, stored in a locked cupboard.

SIMS attendance is also linked to CPOMS, so DSLs maintain oversight.

8. Monitoring arrangements

This policy will be reviewed as guidance from the local authority or DfE is updated, and as a minimum 2 yearly by Helen Thompson (chair of governors) At every review, the policy will be approved by the full governing board.
